FARNSBAKER ATTEMPTS
TO DROP HOPKINSVILLE
FROM K. I. T. LEAGUE.

Kentucky Team Getting too
Close to Cairo for
Fourth Place.

Injunction Suit to Be Filed at
Paducah To-Day to Prevent
the Injustice.

No Legal Meeting Held When
Outrage Was Attempted--Will
Be Taken to the Courts By
Hopkinsville People.

Like a thunderclap from a clear sky came an announcement from M. J. Farnbaker, of Cairo, yesterday that Henderson had withdrawn from the K. I. T. League and that Hopkinsville had been "dropped."

The local director, who is executive committee man for Hopkinsville in the League, at once called up Farnbaker and when told that the Cairo man had voted his proxy he denounced him as having acted without any authority. Farnbaker was sent to Henderson following a meeting at Princeton Sunday to try to help the Henderson club raise enough money to stay in the League. Henderson was going ahead playing so well that the team shut out Princeton Tuesday, while Hopkinsville and Paducah were defeating Vincennes and Cairo at the same hour. By a coincidence all three of the teams that broke up the League were defeated the day it was done.

According to Farnbaker, he voted Cairo, Gosnell Vincennes and Vice President Biggs acted for Princeton. Hopkinsville and Paducah were not represented and Henderson had not dropped out when the alleged action was taken, for the team played up to night and played so well that three straight games were won from Princeton.

The Directors of the Hopkinsville Association notified every team in the League yesterday that the club would not submit to the action attempted, but would report for every schedule game and claim a damage suit against every club that fails to play according to schedule. The team is standing loyally by the Association and reported at the Park in uniform ready to play yesterday, though Princeton remained away on Farnbaker's orders.

The Paducah club was talked to and they will stand by Hopkinsville. Paducah was not represented at the alleged meeting at Henderson last Tuesday, so there could have been no quorum of the 6 teams present to either drop Henderson or Hopkinsville.

Attorney John Feland will go to Paducah this morning to file an injunction suit and ask for the appointment of a receiver to wind up the affairs of the K. I. T. League, unless in the meantime a legal meeting is called and the action rescinded.

It has long been a pet idea of Farnbaker to have a four-club League. He was deposed as an officer last spring because he was a source of incessant discord and he has by acting for the regular secretary butted in and may succeed in taking his revenge by breaking up the League. He has always had a special animosity towards Hopkinsville, which is just now crowding Cairo for 4th place and would have passed Cairo before the end of the

week, as Princeton would have lost 3 games to us as they have just done to Henderson's crippled and expiring team. Something desperate had to be done and Farnbaker undertook to do it.

Hopkinsville has won 600 per cent. of the games played since June 15, increasing its standing from 285 to 419. Out of 33 games played, 19 were won. We broke even with Vincennes in 4 games this week and were anxious to get at Princeton and Cairo before leaving home again.

The club's affairs are in good shape, with players paid up to July 15th and ample resources available to finish the season. The team will, if allowed to play out, finish not lower than third in the list.

The attempt to break up the League was the talk of the town yesterday and baseball ardor was never stronger. Many offered to contribute money to fight the outrage through the courts.

Mr. Farnbaker can put this in his pipe and smoke it: HOPKINSVILLE IS STILL IN THE K. I. T. LEAGUE AND WILL STAY AS LONG AS THERE IS A LEAGUE!!

Yesterday Cairo wired Bonar an offer of \$100 and Morris \$55, assuming that we would be kicked out and forfeit all our rights in players. This shows one of Farnbaker's motives in putting Hopkinsville out.

The players will not be taken from their home team, but will fight it out with the Association if it takes all summer.

Tuesday's Games.

Hopkinsville defeated Vincennes in a brilliant game by 4 to 1. "Fox" Morris in the seventh inning knocked a home run with two men on bases, winning the game.

The fans made up \$1.60 for him for the lucky hit. Perdue pitched and allowed Vincennes only 2 hits. Witt, for the visitors, was hit 12 times.

Henderson shut out Princeton 3 to 0, at Henderson.

Paducah beat Cairo 14 to 3, at Paducah.

STANDING TO JULY 19.

Clubs	Played	Won	Lost	Pct.
Paducah	76	53	23	.697
Vincennes	76	44	32	.578

THE CITY BANK.

CAPITAL - - - - - \$60,000.
Surplus and Undivided Profits, - - - \$70,000.

The surplus of this bank, every dollar of which has been earned, is larger than that of all other Banks in Christian county combined, and in proportion to capital, ranks among the very first in whole State of Kentucky.

STATE CERTIFICATE

Awarded to Bright Young
Hopkinsville Teacher.

RIPE IN YEARS

Mrs. Mary J. Bowles Ex-
pires at Crofton.

Mrs. Bessie Walker, who recently took the State examination for a teacher's certificate, has been advised that she passed the examination with a creditable grade. The certificate is good for eight years and is good to teach in any county in the State, and is qualification for superintendent of county schools without further examination.

Miss Walker is a daughter of Mr. E. W. Walker, and is a graduate of the Hopkinsville Public High Schools.

Died of Cancer.

Mr. Pike Stevens, a native of this county and a Confederate soldier, died at the Tennessee Soldiers' Home yesterday of cancer, which had troubled him for many years. He was about 60 years of age and formerly lived near Herndon. He was buried at the soldiers' home.

Branch Office.

Mr. Robert Shadoin, local agent of the American Express Company, has established a branch money order agency at the drug store of James O. Cook, corner of 9th and Chestnut. This will prove a great convenience to the people in that section of the city.

JULY 20, 1905.

The Tokio correspondent of a London paper says a Japanese army has landed north of Vladivostok and that it is believed to be a movement for the investment of the Russian fortress.

The burning of the Union Station a Louisville opens the way for building one grand union depot for all the roads entering the city. The Times says: "A Union Station has been discussed before, but the interests could not get together, the result being a Union Station at Tenth and Broadway and a Union Depot at Seventh and the river. An official high in the council of the Louisville and Nashville said he would not be surprised if a joint arrangement would not result from the fire. Work on the erection of a new station will be begun as soon as the Chief Engineer, R. Montfort, has concluded his inspection of the ruins and submitted his report on the proposition to rebuild."

BAYLOR HICKMAN

Picks up \$60,000 In a Real Estate Deal.

HOPKINSVILLE BOY

Interested in the Erection of a Fine Flat in Louisville.

The good news comes that a Hopkinsville boy made a cool \$60,000 on one real estate transaction in Louisville a few days since. The fortunate man was Mr. Baylor Hickman, the younger son of the late Dr. L. B. Hickman. Mr. Hickman had made his home in Louisville for the past twenty or more years and has been quite successful in iron and other business. His many Hopkinsville friends will read with interest the following from Sunda's Courier-Journal:

"A deal has been practically closed by which a syndicate gains possession of the Caperton property between Second street and Third avenue on Walnut street, and will erect a handsome flat building at a large investment. Walter S. Adams is at the head of the syndicate and Baylor Hickman and Attila Cox are among those to be interested with him in it.

The property was purchased a short time ago by Mr. Hickman for about \$40,000, but it is understood that with the stock in the syndicate that goes to him and other considerations, he is receiving approximately \$100,000 for the ground. The company will have a capital stock of \$150,000 and most of it is subscribed."

The Woodmen.

There was an interesting meeting of the Woodmen of the World Tuesday night. Several new members were added and business of importance was transacted.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and practitioners recommended it by continually failing to cure it with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by Dr. J. Cheney & Co., Toledo, O., is the only constitutional cure of the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & Co., Toledo, O. Sold by druggists, 75c. Take Hall's Family Pills for constipation.

Liver and Kidneys

It is highly important that these organs should properly perform their functions. When they don't, what lameness of the side and back, what yellowness of the skin, what constipation, bad taste in the mouth, sick headache, pimples and blotches, and loss of courage, tell the story.

The great alternative and tonic.

Hood's Sarsaparilla
Gives these organs clear and tone for the proper performance of their functions, and cures all their ordinary ailments. Take it.

JULY 20, 1905.

BEAUTIFUL UNION STATION DESTROYED.

Fire Entails Severe Loss On Louisville & Nashville at Louisville.

ONLY THE WALLS LEFT.

Loss Will Exceed \$350,000, Confined to Station Property.

Louisville, Ky., July 17.—The union passenger station, at Tenth and Broadway, was destroyed by fire to-night, entailing a loss of about \$350,000. The amount of the insurance is not known.

The fire was discovered about 9:30 o'clock on the top floor of the four-story stone structure, and although every fire engine in the city except the fire engine in the city except the reserves was on the scene in half an hour, the flames gained steadily, and in two hours after the start the building was eaten to a shell, only the walls being left standing.

Fortunately the fire occurred at a time when few trains were scheduled to arrive or depart, and only a small crowd of passengers was in the building. There was no panic and no casualties ensued. Defective insulation on electric wires is thought to have caused the fire.

The loss was confined to the passenger station proper, the Louisville & Nashville freight depot standing alongside being saved by the firemen. The train shed was saved and the terminals were not obstructed. The fire caused small interruption to traffic on the Louisville & Nashville, Pennsylvania and Monon railroads, the three companies using the station. Trains were detained and passengers and baggage handled at the Union depot, Seventh and Water, and the Fourteenth street depot.

The station burned was one of the handsomest to be found anywhere. It will probably be rebuilt at once.

KILLED BY TRAIN.

Edward Ruby, Formerly of Earlinton, Ky.

Madisonville, Ky., July 17.—Edward Ruby was killed in railroad accident near Huntington, Ind., and the remains were brought here last night for burial. It is reported here that he was killed about July 12, and had been buried and an account of the accident was seen in a paper by a sister of Mrs. George Rash, of this city. The clipping was sent here to Mrs. Rash and she was told to go and see Mrs. W. C. Morton, the sister of the dead man, and investigate the matter, as a man by that name used to live here. When investigations were made Clint Ruby, a brother, took the first train to Huntington, and had the remains shipped to this place. Mr. Ruby was a union printer and had his card, so it is said. He was about 32 years of age and formerly worked at Earlinton as foreman on the Bee, and was well known in this section.

City Bank Moving.
The City Bank is moving into the Summers building, corner of Court and Main streets. The contractors will commence work on the new building soon and rush its completion as fast as possible.

Dr. Jackson has moved into rooms on the second floor of the Summers building and Dr. Fruit over the Bank of Hopkinsville.

The bank is ready for business in its temporary quarters today.

How to Build Concrete Steps.

Remove the earth for a depth of 20 inches and fill up with good broken stone and pound down well. Put on a coat of about 8 inches thick of 1-inch crushed stone and cement and ram well. Let this set for about 24 hours. Set a wide plank on each side of wall about 4 feet 10 inches apart, (4 ft. for steps and 5 inches each side for rails). Build inside plank 14 or 16 inches apart. These could be dressed and gouged so as to show a neat mold.

Mix a concrete of 1 part cement to 5 or 6 parts of fine crushed stone or gravel. Put this in to within 2 inches of the height and thickness desired and trowel well. To form the side rails the outside plank and one 5 inches from it, cut to fit the steps are used. The side rail should be 6 inches higher than steps, of suitable design. In joining the rails to the steps use plenty of water to make them stick. Mix 2 parts cement and 1 part coarse clean, sharp sand. Fill up the remaining space in your step mold with this and trowel off smooth.

They should be allowed 3 or 4 days to thoroughly set, sprinkling frequently to prevent breaking or cracking. After taking off plank rub of coarse sand paper or a file.

F. W.

ICE CREAM

Supper for Benefit of School House Repairs.

An ice cream supper will be given at Laytonsville Aug. 12, under the auspices of the Laytonsville Bible Class. There will be speeches and music and a general good time is in store for those who attend. The proceeds from the sale of cream will be used for making some much needed repairs on the Laytonsville school house.

Elaborate preparations are being made to entertain the visitors. The Hopkinsville brass band will play and there will also be other musical specialties.

Both religious and political speeches will be delivered. No admission. All welcome.

President's Grand-daughter.

Mrs. Caroline Elizabeth Monell died suddenly at her home in Fishkill Landing N. Y., Monday. She was 90 years old. Mrs. Monell was the granddaughter of John Adams, second President of the United States, who wrote a congratulatory letter and a poem on her birth. She was a daughter of the late John Peter DeWitt. She first married Andrew Downing the landscape artist, who laid out the public grounds at Washington. She died in the Henry Clay, disaster, July 29, 1852. She later married Judge John J. Monell, who died some years ago. She leaves one daughter.

THE GRAND PRIZE

Awarded to Kentucky for the Finest Display of Tobacco.

Frankfort, Ky., July 17.—Official notification was received by the secretary of state today of the award of the grand prize of the St. Louis World's fair to the state of Kentucky for having the finest display of tobacco at the exposition of 1904.

The notification was accompanied by a handsome official certificate of the award.

Mr. and Mrs. Roy Cayce will go to Dawson to spend a few days next week.

Miss Julia Smithson, of Church Hill, is visiting Miss Dixie Kimberling.

Mrs. John Webb and little daughter, Nellie Irene, of Wichita, Kans., are visiting Mrs. Aubrey Major.

Mr. Hugh Major spent Sunday in Lafayette.

Misses Addie and Sue Adams spent Sunday with Miss Janie Major.

The farmers have once more started to threshing wheat. • • •

From Another Correspondent.

The wheat threshing which has been greatly hindered by frequent rains is now in progress.

Quite a number of young people met at the home of Mr. and Mrs. Kimberling last Friday afternoon and passed a very pleasant time indulging in the pleasant games—croquet and tennis. The following young people were present: Messes Tom West and Frank Stowe; Misses Courtney and Janie Major; Lillian, Elizabeth and Margaret Ford; Addie and Julia Brodie and Julia Smithson, of Church Hill; and Sarah Hayes, of Madisonville.

Mr. E. T. Williams, of Hartfords, spent several days here last week.

Miss Jennie Major is the guest of her sister this week, Mrs. Walter Boyd, of Newstead.

Mr. and Mrs. Walter Boyd, of Newstead, spent Sunday with their parents, Mr. and Mrs. P. H. Major.

Miss Annie Huggins, of Hopkinsville, is the guest of her sister, Mrs. Erastus Major.

Misses Julia Bridgewater and Ada Gossett, of Clarksville, are visiting in this and the Church Hill neighborhoods.

Mrs. Dr. J. E. Stone, of Herndon, is visiting relatives at Rochester, Kentucky.

Miss Ruth Major has returned home, after a pleasant visit of several days to Miss Jennie Major.

Miss Frances Huffman has returned to her home at Ringgold, after a visit to this place and Hopkinsville.

There will be an all-day meeting at Herndon Friday. C.

For Sale—Hotel Yancey.

I now offer for sale one of the most desirable pieces of property in the city of Hopkinsville—my hotel and grocery store. The hotel has all modern conveniences and is nicely furnished throughout. The grocery stock is new and first-class in every respect. This is the opportunity of your life. Come and see the property and get prices, terms, etc.

302-304 West 7th Street,
J. W. YANCEY, Proprietor.

PERSONAL Gossip.

"Why is she so fond of washing?"

"Oh, she has such a perfect carriage, you know."—Tova Topics.

EARNING EDUCATION

STATE UNIVERSITY STUDENTS THAT EARN THEIR WAY.

Many Occupations That Help Out—How Some of Students Have Won Elevated Position in Life.

It was no uncommon thing back in the days of the "little red schoolhouse" for aspiring students to eke out a scanty living by some sort of money earning: splitting wood, I believe, was the favorite occupation, the surest of return. We recently came across notices that a very large part of the students at the University of Missouri were paying their expenses, and these were interested to find out what they worked at.

The report of the university publisher points with pride to some of the alumni that likewise labored when they were getting an education, and illustrates the fact that a person can obtain a good education and still earn his living.

Judge J. L. Torrey, author of the Torrey bankruptcy bill; the late Congressman Cooney; B. T. Galloway, chief of the division of vegetable physiology; Dr. W. C. Upton, State Department of agriculture, Washington; W. R. Dodson, in charge of agricultural education in Louisiana.

These successful ones tell of their early struggles with a certain pride, Judge Torrey adding that he was compelled by poverty to work with the hoe, pruning grapes, shucking corn, and acting as commissary of the boarding department.

Congressman Cooney taught school—the time-honored method of "getting a start" and applying to the same the old adage, "If you want to earn your living, you must work."

Speaking of this stage of his life, he once remarked: "In the vacations I earned in the harvest and hay fields about \$50, and I earned \$15 cutting weeds and building a fence in the state farm, and worked up to a man a poor young man, but I regarded that as a joke. I had enough to lend a fellow student sufficient to pay his board for six months without charging a cent of interest. I never felt so rich in all my life as when those years I spent in the university."

The New York Tribune, commenting on the number of young men today "down Missouri," that are independently striving for an education, gives the following ways in which they attain the almighty: One is to earn his living by working at two agents; one driver of a bread wagon; one a barber; three bookkeepers; seven canvassers; 22 clerks; six paper

carriers; four commissaries; one a carpenter; one a dish washer; and seven electricians. Fourteen rise at four o'clock in the morning to build their furnaces; four make gardens and clean yards; two work on the state farm; four are musketeers; 28 do housework. There are 12 janitors, two librarians, eight laundry agents, a leather worker, a boarding house keeper. Two milk cows at the state farm, 12 make mechanical drawings and 12 are engaged in various kinds of work.

They attain the almighty by working at two agents; one driver of a bread wagon; one a barber; three bookkeepers; seven canvassers; 22 clerks; six paper

SPRITE'S DEPARTURE

LAST CHAPTER IN HISTORY OF RED FOX.

Arrogant Man with Bicycle Angry
That Money Could Not Buy—
Sent Into the Woods—
Made Return.

"I'll give you a hundred dollars for that fox."

The speaker was a rather loudy-dressed individual who sat in a high-power automobile on the side of a New Hampshire country road. This remark was addressed to me, as I lay, leaning on my elbow, on the shady border of a spruce forest, and it pertained to my handsome red fox. "The Sprite," which stood just behind me with his muzzle thrust under my arm, watching me sleepily with an intense look of suspicion in his yellow eyes. I looked down at his fine little face, and said, with a smile:

"Well, Cooty, what do you say? Will you go with him?"

At the sound of my voice the great white-tipped brush waved back and

WIRE CUTTING CASES ARE UP TOMORROW.

Telephone Activities Now
Excites a Lively
Interest.

INTENSE RIVALRY.

Home Company is Now
Pushing Country Lines
In a Hurry.

All sorts of telephone talk is now in the air. The circulation of a letter signed by one Richard Wilder, of Evansville, attacking the competitors of the Cumberland Company in this county, has aroused a great deal of feeling in South Christian, whose people are clamoring for the benefits of competition.

The President of the Cumberland denies that he knows Wilder, but a formal demand has been made that he find out who he is and why he is doing such work in his interests. His second reply is eagerly awaited.

In the meantime, the exchange at McKenzie is being pushed along and the line to connect it with Hopkinsville is being constructed, without further interference with the stringing of wires, except that a guy wire on the same line was cut Monday night. A camp has been established and a night watch will be maintained hereafter.

The eight men arrested two weeks ago charged with cutting the wires of the Home Telephone Company on the Clarksville pike, will, unless there is a further postponement, be given an examining trial tomorrow.

No clew to the parties who destroyed the insulators on the Crofton line last week has yet been discovered, but offering a reward for the apprehension of the guilty parties has had the effect of preventing any further violence.

Some lively developments in telephone circles are looked for in the next few days.

In the meanwhile, who in the thunder is Richard Wilder?

Keep the receiver to your ear and you will know in a little while.

EXAMINATIONS

For Both Teachers and Pupils To-morrow.

The July examination of teachers for certificates in the common schools will be held Friday and Saturday in this city. At the same time and place applicants for appointment to the State College will also be examined by the same Board of examiners. The examinations will take place at the Clay Street Building.

Four Fingers Lost.

While young Will Quarries was operating a "frizer" in the carpenter's department of the Forbes Mfg. Co. Tuesday, his right hand came in contact with the knives of the machine and the four fingers were cut almost entirely from the hand. Drs. Sargent and Reynolds were called and are of the opinion that the fingers will have to be taken off.

PADUCAH HOT AFTER CUMBERLAND.

Must Buy a Franchise Or
Get Out of the
City.

SAME SITUATION HERE.

Mayor Yeiser Is Leading the
Fight on Behalf of
the People.

A legal test is to be made of the claims set up by the Cumberland Telephone and Telegraph Company that a limited permit issued to a company before the adoption of the present constitution and afterwards sold to them, has all the force and effect of a franchise of indefinite duration.

This condition of affairs exists here and also in Paducah. Three years ago the Cumberland's permit expired here and they refused to purchase a legal franchise. The same thing has just occurred at Paducah. The News-Democrat says:

"The East Tennessee Telephone company, of the Bell system, a branch of the Cumberland Telephone and Telegraph Co., will be officially notified to purchase a franchise or pull up its poles, wires and fixtures and get out of Paducah."

The city council in strong terms Monday night denounced the methods of the East Tennessee Telephone company in trying to run over the authorities of Paducah in declaring that it would not purchase a franchise and refusing to pay back taxes on its poles or license, and directed the mayor and city solicitor to take such steps as was necessary to force the East Tennessee Telephone company to purchase a franchise or be ejected from the city.

Mayor Yeiser appeared before the city council Monday night and reported his action in selling the new telephone franchise on July 10 to the highest bidder. He stated that Mr. Henry Hughes had purchased the franchise at \$20 to the highest bidder and had given him a check for \$100 to defray the expense of advertising and selling the franchise. Mr. Yeiser said that he thought the price was too low. The council then adopted a motion declaring the sale void and directing that the check be returned to Mr. Hughes.

Mayor Yeiser said to the council that the East Tennessee Telephone company had acted in an arbitrary manner by refusing to abide by its laws by not purchasing the franchise which was prepared, presumably for the company, and also by refusing to pay back license taxes and taxes on its poles for police protection, and he advised the council to take steps against the company to force it to purchase a franchise or remove its poles from the city and quit business.

The council unanimously carried a motion directing the Mayor and City Solicitor to take such steps as is necessary to force the company to buy a franchise and abide by the laws of the city or get out of the city.

The aldermen will be asked to concur in the action of the council when they meet Thursday night, and if similar action is taken by the aldermen, the mayor said to-day that action would then be immediately taken against the East Tennessee Telephone Company.

When the revised franchise was first proposed for passage, the East Tennessee Telephone Company announced through an agent that it would not purchase when put for sale. No representative of the company was present when it was sold on July 10.

Mayor Yeiser stated to-day to a News-Democrat representative that he intended taking the question to the highest court to see whether the citizens of the East Tennessee Telephone company owns Paducah."

\$8,000 Contract.

C. A. Cundiff & Co., of Nortonville, secured the contract last Monday to erect the dormitory of Vanderbilt training school at Elkhorn.

Don't Miss This!

A close out deal on Sewing Machines.

We are going to quit the Sewing Machine business, and in order to quit quick we are going to sell

**Standard \$60.00
